FREQUENTLY ASKED QUESTIONS

Are we required to use your preferred vendors?

You are not required to use our preferred vendors, but we have carefully curated this list to highlight the best in the business and to best suit our clients' budgetary and stylistic needs. If you use a caterer who is not on the list, they must complete some additional paperwork and provide a certificate of insurance.

Do you offer event coordination?

We do offer in-house month-of coordination; this is included in the venue rental! The coordination includes working with our rental coordinator to establish an event timeline, floor plan, and overview of your big day, which will be communicated to your vendors the week of the event. One of our event managers will be on-site for your rehearsal and throughout the event day for ensuring everything goes smoothly.

Do we have to purchase McClintock spirits?

We do not require a minimum purchase amount of our spirits. You do receive a 20% discount on any of our products and you can purchase as much as you would like. We only allow for our vodka and gin to be served on the premises, but you may bring specialty liquor, as well as beer and wine. All alcohol must be served by a bartender.

Do you rent out the McClintock Back Bar?

Unfortunately, we do not rent out this space for private events, but it is a great place for guests or the bridal party to gather before a ceremony.

FREQUENTLY ASKED QUESTIONS

Do you provide tables, chairs and rental items?

We do include up to 15 farmhouse tables or 5' rounds (linen not included, but will be provided through your caterer), 140 Tuscan cross-back chairs, and 5 cocktail tables with the venue rental. We do not provide glassware, linens or other rental items. All of our preferred caterers offer these options.

What is included in the bar service?

All bartenders must be contracted through McClintock at \$40 per hour per bartender. We only charge for event time, not for set-up or clean-up. We do not provide glassware, coolers, ice, mixers, garnishes, straws, cocktail napkins, etc., but our preferred vendors offer these services. Bartenders are paid directly on the day of the wedding by check or cash.

How long is the event rental?

We offer a 12 hour rental from noon - midnight. An average wedding is 5 hours, but you are able to set the time of your event as you wish!

Do you have a bridal suite?

Not at this time, but we can recommend great local salons, Air BnBs, traditional Bed and Breakfasts and local hotels.

Do you have parking on-site?

We have five parking spaces on-site. Typically one is for your caterer and the other four can be designated as you see fit. There are also 2 parking garages within about 2 blocks of the venue.

BAR INFORMATION

In addition to our craft spirits, you are welcome to bring in outside beer, wine and specialty liquor. We offer a 20% discount on our spirits. Bartending services must be contracted through McClintock Distilling.

Bartending fees are \$40 per hour, per bartender and we recommend one bartender for every 50 guests.

A custom cocktail tasting is included, where clients can work with our resident mixologist to create a McClintock signature cocktail (or several) for your wedding day.

We highly encourage using Frederick Wine House. In addition to delivering beer, wine and specialty liquor, they include coolers, ice and mixers. They also refund any unopened product, so you essentially pay on consumption.
